AMADEUS

Hi Dev Gandhi,

You have been invited to take Amadeus Software Labs Bangalore - 2023batch-Virtualcampus-Event22-21stsept by Amadeus Software Labs Bangalore.

Test details

- Opens at: 21 Sep, 2022 (Wednesday) | 11:30a.m.
- Closes at: Sep 21, 2022 12:00 PM IST
- Test Duration: 1 hrs 30 mins
- Invite Expiry Date: None
- Test Link: https://www.hackerearth.com/challenges/test/amadeus-software-labs-bangalore-2023batch-virtualcampus-event22-21stsept/?login=6ea840618f6a7ff49df0023681a3839f

Important

- You can take this test anytime between the start date/time and end date/time.
- Once the test starts, you cannot pause it. The test will run continuously for 1 hrs 30 mins.

Before you begin

Before you take the Amadeus Software Labs Bangalore - 2023batch-Virtualcampus-Event22-21stsept, we recommend that you take the practice test a few days before the actual test.

Advantages of taking the practice test

- You get familiar with the HackerEarth Recruit platform including the proctoring settings. The actual test may have fewer restrictions than the practice test. This advanced familiarity will enable you to solve problems more efficiently during the actual test.
- An automatic system-compatibility check is performed

- Resume (as per DXC format)

Please ensure that you finish your test in one go, please do not logout in-between.

We advise you to attempt the test any time before the end time.

Please find below the Test URL/Link that you are required to use to log into the test.
